WUSQA INTERNATIONAL
Instruments Company

Wusqa International has been founded by our forefather with the vision of serving. We aim more at serving than selling due to the nature of our business. We have deployed latest machinery and skilled professionals to provide the most qualitative products to our valuable clients.

Our products meet international quality standards which results in more customer satisfaction.

We have enlist our certifications and catalogues for better product and company understanding.

We provide complete product information with technical details for better product understanding.

Our production capacity is big enough to meet the requirements of any worthy client.

Late Haji Mirza Afzal Baig (1930 - 2015)
FOUNDER OF WUSQA INTERNATIONAL
